Respected Sir,

Subject: Report on 12-Day Table Tennis Coaching Camp (10th October – 21st October 2024)

I am pleased to submit a report on the successful completion of the 12-day Table Tennis Coaching Camp organized from 10th to 21st October 2024 at our college premises. Initially, the plan was to conduct exclusive coaching sessions for our students, under the guidance of a professional coach from Dharwad. However, considering the financial investment required, our IQAC coordinator, Prof. V. Kirankumar, suggested incorporating this event as a certificate course under the IQAC initiative. This modification not only benefitted the students but also contributed positively towards the upcoming NAAC accreditation process.

With this approach, the scale of the event was elevated, and notices were issued to encourage participation. During the selection process, 8 students were shortlisted for the camp. These students have shown remarkable improvement in their skills and are now prepared to participate in the University Blue selection trials.

The success of this camp would not have been possible without the guidance and support extended by you. I would also like to acknowledge the contributions of our Assistant Manager, Shri Shripad Hegde, who provided constant encouragement throughout the organization of this camp. I am grateful to Prof. V. Kirankumar for his insights in preparing the invitation, notice, and certificates, which added professionalism to the event.

Thank you once again for your unwavering support and cooperation in making this camp a success. I look forward to your continued guidance in future initiatives as well.
